

Civil & Environmental Engineering

Graduate Orientation Information Thursday, Aug. 20th | 3 p.m. | ENC 1002 (Engineering Building III)

Thursday, August 13th: Graduate School Orientation, 9am, Marshall Center
<http://www.gpsc.usf.edu/orientation.html>

Wednesday, August 19th: International Orientation, noon, Cooper Hall 103

Thursday, August 20th: Civil & Environmental Department Orientation

You MUST attend the Department Orientation on the 20th or a hold will be placed on your account restricting registration. It is important to review the college's policies and procedures before beginning our Graduate Program.

Registering:

- Once you have removed your holds with Student Health Services and ISSS (if applicable), you can register for classes online through OASIS at <http://usfonline.admin.usf.edu/> Note: We will be able to register you at the Department Orientation if you would like to wait.

Course Planning:

- We will answer questions you have about course planning at our department orientation, but if you'd like to explore the available resources before that visit <http://cee.eng.usf.edu/courseschedule/cs.htm>
- The Graduate Catalog has a list of general course offerings
<http://www.grad.usf.edu/newsite/catalog/main.asp>
Graduate-level classes are 5000-7000 level.
